

# AMERICA IN PROPHECY

## A COMPILATION OF PROPHECIES THAT POINT TO EVENTS SURROUNDING THE DESTRUCTION OF AMERICA AND THE COLLAPSE OF HUMAN CIVILIZATION

Find below a verifiable compilation of prophecies that date back to the 19<sup>th</sup> century. I believe that over 100 people have borne witness to this matter in prophecy. In the coming months and years I will attempt to compile and carry out an extensive work on finding and publishing the voices of these witnesses, for the Church standing at the edge of another glorious dispensational transition. The burden that the Lord has placed in my heart is to ensure that the compilation gets to the body of Christ in every region of the earth. As the church in every continent prepares for all that would befall the world according to the things referenced in these prophecies and the emergence of absolute power and rule by Jesus Christ, it would be needful for those who read this compilation to pass it across to God's people by any means possible. Also, expect to receive a more comprehensive compilation with time.

Daniel 2:43-45, "And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay. **And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.** Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure."

LARRY TAYLOR'S SEARCH FOR SECRET PROPHECIES FROM ARMENIA Posted By: Shenandoah Tuesday, 27 July 2004 SECRET LETTER PROPHECY FROM ARMENIA - 1852 Evidenced by Demos Shakarian as told to John and Elizabeth Sherrill in the book: The Happiest People On Earth 1975 [book out of print] --- Took me a while but I did finally get a rare copy after being asked by readers of newsletter to look into this. Signed Larry Taylor [From the writings of Demos Shakarian 1913-1993]. Demos was named after his grandfather, a remarkable man who fled from Armenia in 1905 to settle in Los Angeles, California in America. The family left their homeland in response to a prophecy in 1852 that a time of unspeakable tragedy would come to Armenia and that hundreds of thousands of people would be killed. When the same person who had given the prophecy announced the time for the tragedy was near, it was the sign for many people, including grandfather Demos to move. The prophet was a true prophet.

In 1914 the Turkish people drove the Armenian population out into the Mesopotamian desert. Over a million men, women and children died. They massacred another half a million people in their villages, often by locking them in barns and burning them to death. Everyone still in the home village of grandfather Demos died! The world did not respond to what was happening and allowed it to continue. Later on they reaped a reward for their shameful inaction. When Hitler

started his campaign to exterminate Jewish people, he believed that “...no one cared about the Armenians, they will not care about the Jews...” Consequently a large Armenian group settled in Los Angeles. The boy prophet who God had used to warn the Armenians to flee the coming onslaught was named Efim Gerasemovitch Klubniken, of Russian origin and from earliest childhood had shown a gift for prayer—frequently going on long fasts, praying around the clock.

The prophet's words and map directed the Armenians to Los Angeles, CA, America. **However, later Efim also wrote out a second prophecy, but all anybody knew about that one was that it dealt with the still more distant future—when the people would once again have to flee. Efim asked his parents to seal this prophecy in an envelope, and repeated the instructions he had received concerning it. He had been told in his vision that only a future prophet—chosen by the Lord for this task—could open the envelope and read the prophecy to the church.**

Anyone opening the envelope before this time would die. Excerpt at the end of the book - Demos Shakarian writing: “I thought of the second message the boy prophet received so long ago, still sealed and unopened. Does it foretell a great persecution coming to Christians in America, just before the Lord returns? Personally, I think so. I think the Spirit is being given us in preparation for this time: to bind us into a Body, to assign to each one of us the task he alone can do for the welfare of that Body. I often wonder who will be told to open that message and read it to the church? And Demos Shakarian passed in 1993!” [Larry Taylor: I recently sent out an email to the Internet List of ‘From\_The\_Edge’ requesting any information in regards to this secret letter’s existence. I will share one of the email replies: “Hi! Larry -- This is Ken and Annie Schisler in Uruguay, South America. We also would appreciate if once you obtain info regarding the “secret letter” you could share it with us. We met Demos and Rose back in the late 80's at their home in Downey. We spoke of many things, including the secret letter, but the contents was not disclosed as it was still “sealed” at that time. It would be important to compare notes with things Annie has seen in her visions regarding the future of the USA. We believe many things are very imminent.

## **William Branham – 1933**

### **Vision One**

The first vision was that Mussolini would invade Ethiopia and that nation would "fall at his steps". That vision surely did cause some repercussions, and some were very angry when I said it and would not believe it. But it happened that way. He just walked in there with his modern arms and took over. The natives didn't have a chance. But the vision also said that Mussolini would come to a horrible end with his own people turning on him. That came to pass just exactly as it was said.

### **Vision Two**

The next vision foretold that an Austrian by the name of Adolph Hitler would rise up as dictator over Germany, and that he would draw the world into war. It showed the Siegfried line and how our troops would have a terrible time to overcome it. Then it showed that Hitler would come to a mysterious end.

### **Vision Three**

The third vision was in the realm of world politics for it showed me that there would be three great ISMS, Facism, Nazism, Communism, but that the first two would be swallowed up into the third. The voice admonished, "WATCH RUSSIA, WATCH RUSSIA. Keep your eye on the King of the North."

### **Vision Four**

The fourth vision showed the great advances in science that would come after the second world war. It was headed up in the vision of a plastic bubble-topped car that was running down beautiful highways under remote control so that people appeared seated in this car without a steering wheel and they were playing some sort of a game to amuse themselves.

### **Vision Five**

The fifth vision had to do with the moral problem of our age, centering mostly around women. God showed me that women began to be out of their place with the granting of the vote. Then they cut off their hair, which signified that they were no longer under the authority of a man but insisted on either equal rights, or in most cases, more than equal rights. She adopted men's clothing and went into a state of undress, until the last picture I saw was a woman naked except for a little fig leaf type apron. With this vision I saw the terrible perversion and moral plight of the whole world.

### **Vision Six**

Then in the sixth vision there arose up in America a most beautiful, but cruel woman. She held the people in her complete power. I believed that this was the rise of the Roman Catholic Church, though I knew it could possibly be a vision of some woman rising in great power in America due to a popular vote by women.

### **Vision Seven**

The last and seventh vision was wherein I heard a most terrible explosion. As I turned to look I saw nothing but debris, craters, and smoke all over the land of America.

**A A Allen Vision - 1954**

<https://www.youtube.com/watch?v=h1Z3PwpS-14>

As I stood atop the Empire State Building, I could see the Statue of Liberty, illuminating the gateway to the new world. Here, spread before me like an animated map, is an area 60 or 80 miles in diameter. I was amazed that the Spirit of the Lord should so move me, there atop the Empire State building. Why should I feel such a surge of His Spirit and power there?

### **Giant Telescope**

Suddenly I heard the voice of the Lord. It was as clear and as distinct as a voice could be. It seemed to come from the very midst of the giant telescope; but when I looked at the telescope, I knew it hadn't come from there, but directly from Heaven. The voice said, 2 CHRONICLES 16:9, "For the eyes of the LORD run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward him. Herein thou has done foolishly; therefore, from henceforth thou shalt have wars." Immediately when I heard the voice of God, I knew this was a quotation of scripture; but never before had a thing come to me so forcibly by the power of the Spirit.

### **Automatic Clock**

The ticking of the telescope stopped. The man before me had used up his dime's worth. As he stepped away, I knew that I was next. As I stepped to the telescope and dropped in my dime, immediately the ticking started again. This ticking was an automatic clock which would allow me to use the telescope for a limited time only. As I swung the telescope to the north, suddenly the Spirit of God came upon me in a way that I had never thought of before. Seemingly, in the Spirit I was entirely caught away. I knew that the telescope itself had nothing to do with the distance which I was suddenly enabled to see, for I seemed to see things far beyond the range of the telescope, even on a bright, clear day. It was simply that God had chosen this time to reveal these things to me, for as I looked through the telescope, it was not Manhattan Island that I saw, but a far larger view.

### **North American Continent**

That morning much of the view was impaired by fog; but suddenly as the Spirit of the Lord came upon me, the fog seemed to clear until it seemed that I could see for thousands of miles, but that which I was looking upon was not Manhattan Island. It was all of the North American continent spread out before me as a map is spread upon a table. It was not the East River and the Hudson River that I saw on either side, but the Atlantic and the Pacific Oceans; and instead of the Statue of Liberty standing there in the bay on her small island, I saw her standing far out in the Gulf of Mexico. She was between me and the United States. I suddenly realized that the telescope had nothing to do with what I was seeing but that it was a vision coming directly from God; and to prove this to myself, I took my eyes away from the telescope so that I was no longer looking through the lens, but the same scene remained before me.

### **Great Cities**

There, clear and distinct, lay all the North American continent with all its great cities. To the north lay the Great Lakes. Far to the northeast was New York City. I could see Seattle and Portland far to the northwest. Down the west coast there were San Francisco and Los Angeles. Closer in the foreground lay New Orleans at the center of the Gulf Coast area. I could see the

great towering ranges of the Rocky Mountains and trace with my eye the Continental Divide. All this and more I could see spread out before me as a great map upon a table.

### **Gigantic Hand**

As I looked, suddenly from the sky I saw a giant hand reach down. That gigantic hand was reaching out toward the Statue of Liberty. In a moment her gleaming torch was torn from her hand, and in it instead was placed a cup; and I saw protruding from that great cup a giant sword, shining as if a great light had been turned upon its glistening edge. Never before had I seen such a sharp, glistening, dangerous sword. It seemed to threaten all the world. As the great cup was placed in the hand of the Statue of Liberty, I heard these words, "Thus saith the Lord of hosts, drink ye and be drunken and spew and fall and rise no more because of the sword which I will send." As I heard these words, I recognized them as a quotation from Jeremiah 25:27. I was amazed to hear the Statue of Liberty speak out in reply, "I WILL NOT DRINK!" Then as the voice of the thunder, I heard again the voice of the Lord saying, "Ye shall certainly drink" (Jeremiah 25:28). Then suddenly the giant hand forced the cup to the lips of the Statue of Liberty, and she became powerless to defend herself. The mighty hand of God forced her to drink every drop from the cup. As she drank the bitter dregs, these were the words that I heard: "Should ye be utterly unpunished? Ye shall not be unpunished, for I will call for a sword upon all the inhabitants of the earth, saith the Lord of hosts" (Jeremiah 27:29)

### **War, Destruction**

When the cup was withdrawn from the lips of the Statute of Liberty, I noticed the sword was missing from the cup, which could mean but one thing. THE CONTENTS OF THE CUP HAD BEEN COMPLETELY CONSUMED! I knew that the sword merely typified war, , and destruction, which is no doubt on the way. Then as one drunken on too much wine, I saw the Statue of Liberty become unsteady on her feet and begin to stagger and to lose her balance. I saw her splashing in the gulf, trying to regain her balance. I saw her stagger again and again and fall to her knees. As I saw her desperate attempts to regain her balance and rise to her feet again, my heart was moved as never before with compassion for her struggles; but as she staggered there in the gulf, once again I heard these words: "Drink ye and be drunken and spew and fall and rise no more because of the sword which I will send among you" (Jeremiah 25:37).

As I watched, I wondered if the Statue of Liberty would ever be able to regain her feet, if she would ever stand again; and as I watched, it seemed that with all her power she struggled to rise and finally staggered to her feet again and stood there swaying drunkenly. I felt sure that at any moment she would fall again, possibly never to rise. I seemed overwhelmed with a desire to reach out my hand to keep her head above water, for I knew that if she ever fell again, she would drown there in the gulf. "Thou shalt not be afraid for the by night, nor for the arrow that flyeth by day, nor for the pestilence that walketh in darkness, nor for the destruction that wasteth at noonday" (Psalms 91:5-6).

### **Black Cloud Rising**

Then as I watched, another amazing thing was taking place. Far to the northwest, just out over Alaska, a huge, black cloud was arising. As it rose, it was as black as night. It seemed to be in the shape of a man's head. As it continued to arise, I observed two light spots in the black cloud. It rose further, and a gaping hole appeared. I could see that the black cloud was taking the shape of

a skull, for now the huge, white, gaping mouth was plainly visible. Finally, the head was complete. Then the shoulders began to appear; and on either side, long, black arms.

### **Skeleton Destroys Multitudes**

It seemed that what I saw was the entire North American continent, spread out like a map upon a table with this terrible skeleton-formed cloud arising from behind the table. It rose steadily until the form was visible down to the waist. At the waist the skeleton seemed to bend toward the United States, stretching forth a hand toward the east and one toward the west, one toward New York and one toward Seattle. As the awful form stretched forward, I could see that its entire attention seemed to be focused upon the United States, overlooking Canada at least for the time being. As I saw the horrible black cloud in the form of a skeleton bending toward America, bending from the waist over, reaching down toward Chicago and out toward both coasts, I knew its one interest was to destroy the multitudes.

### **Mortal Agony**

As I watched in horror, the great black cloud stopped just above the Great Lakes region and turned its face toward New York City. Then out of the horrible, great gaping mouth began to appear wisps of white vapor which looked like smoke, as a cigarette smoker would blow puffs of smoke from his mouth. These whitish vapors were being blown toward New York City. The smoke began to spread until it had covered all the eastern part of the United States. Then the skeleton turned to the west and out of the horrible mouth and nostrils came another great puff of white smoke. This time it was blown in the direction of the west coast. In a few moments' time the entire West Coast and Los Angeles area were covered with its vapors.

Then toward the center came a third great puff. As I watched, St. Louis and Kansas City were enveloped in its white vapors. Then on they came toward New Orleans. Then on they swept until they reached the Statue of Liberty where she stood staggering drunkenly in the blue waters of the gulf. As the white vapors began to spread around the head of the statue, she took in but one gasping breath and then began to cough as though to rid her lungs of the horrible vapors she had inhaled. One could readily discern by the coughing that those white vapors had seared her lungs. What were these white vapors? Could they signify bacteriological warfare or nerve gas that could destroy multitudes of people in a few moments' time? Then I heard the voice of God as He spoke again: "Behold, the LORD maketh the earth empty and maketh it waste and turneth it upside-down and scattereth abroad the inhabitants thereof. And it shall be, as with the people, so with the priest; as with the servant, so with his master; as with the maid, so with her ; as with the buyer, so with the seller; as with the lender, so with the borrower; as with the taker of usury, so with the giver of usury to him. The land shall be utterly emptied and utterly spoiled, for the LORD hath spoken this word. The earth mourneth and fadeth away. The world languisheth and fadeth away. The haughty people of the earth do languish. The earth also is defiled under the inhabitants thereof because they have transgressed the laws, changed the ordinance, broken the everlasting covenant; therefore, hath the curse devoured the earth, and they that dwell therein are desolate; therefore, the inhabitants of the earth are burned and few men left" (Isaiah 24:1-6)

As I watched, the coughing grew worse. It sounded like a person about to cough out his lungs. The Statue of Liberty was moaning and groaning. She was in mortal agony. The pain must have been terrific, as again and again she tried to clear her lungs of those horrible white vapors. I watched her there in the gulf as she staggered, clutching her lungs and her breast with her hands.

Then she fell to her knees. In a moment she gave one final cough, made a last desperate effort to rise from her knees, and then fell face forward into the waters of the gulf and lay still as . Tears ran down my face as I realized that she was ! Only the lapping of the waves, splashing over her body which was partly under the water and partly out of the water, broke the stillness.

"A fire devoureth before them, and behind them a flame burneth; the land is as the Garden of Eden before them, and behind them a desolate wilderness, yea, and nothing shall escape them". Screaming of Sirens Suddenly the silence was shattered by the screaming of sirens. The sirens seemed to scream, "RUN FOR YOUR LIVES!"

Never before had I heard such shrill, screaming sirens. They seemed to be everywhere to the north, the south, the east, and the west. There seemed to be multitudes of sirens; and as I looked, I saw people everywhere running, but it seemed none of them ran more than a few paces, and then they fell. And even as I had seen the Statue of Liberty struggling to regain her poise and balance and finally falling for the last time to die on her face, I now saw millions of people falling in the streets, on the sidewalks, struggling. I heard their screams for mercy and help. I heard their horrible coughing as though their lungs had been seared with fire. I heard the moanings and groanings of the doomed and the dying. As I watched, a few finally reached shelters, but only a few ever got to the shelters.

Above the moaning and the groaning of the dying multitudes, I heard these words: "A noise shall come even to the ends of the earth, for the Lord hath a controversy with the nations. He will plead with all flesh; he will give them that are wicked to the sword, saith the Lord. Thus saith the Lord of hosts, Behold, evil shall go forth from nation to nation, and a great whirlwind shall be raised up from the coasts of the earth, and the slain of the Lord shall be at that day from one end of the earth even unto the other end of the earth. They shall not be lamented, neither gathered, nor buried; they shall be dung upon the ground" (Jeremiah 25:31-33).

### **Rocket Missile Attacks**

Then suddenly I saw from the Atlantic and from the Pacific and out of the Gulf rocket-like objects that seemed to come up like fish leaping out of the water. High into the air they leaped, each headed in a different direction, but every one toward the United States. On the ground the sirens screamed louder, and up from the ground I saw similar rockets beginning to ascend. To me these appeared to be interceptor rockets although they arose from different points all over the United States; however, none of them seemed to be successful in intercepting the rockets that had risen from the ocean on every side. These rockets finally reached their maximum height, slowly turned over and fell back toward the earth in defeat. Then suddenly the rockets which had leaped out of the oceans like fish all exploded at once. The explosion was ear-splitting. The next thing which I saw was a huge ball of fire. The only thing I have ever seen which resembled the thing I saw in my vision was the picture of the explosion of the H-bomb somewhere in the South Pacific. In my vision it was so real that I seemed to feel a searing heat from it.

### **Widespread Desolation**

As the vision spread before my eyes and I viewed the widespread desolation brought about by the terrific explosions, I could not help thinking, While the defenders of our nation have quibbled over what means of defense to use and neglected the only true means of defense faith and

dependence upon the true and living God the thing which she greatly feared has come unto her! How true it has proven in Psalms 127:1: Except the Lord build the house, they labour in vain that build it; except the Lord keep the city, the watchman waketh but in vain."

Then as the noise of battle subsided, to my ears came this quotation: "Blow ye the trumpet in Zion and sound an alarm in my holy mountain; let all the inhabitants of the land tremble, for the day of the Lord cometh, for it is nigh at hand. 2. A day of darkness and of gloominess, a day of clouds and of thick darkness, as the morning spread upon the mountains, a great people and a strong, there hath not been ever the like, neither shall be any more after it, even to the years of many generations. 3. A fire devoureth before them, and behind them a flame burneth; the land is as the Garden of Eden before them, and behind them a desolate wilderness, yea, and nothing shall escape them. 4. The appearance of them is as the appearance of horses; and as horsemen, so shall they run. 5. Like the noise of chariots on the tops of mountains shall they leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array. 6. Before their face the people shall be much pained; all faces shall gather blackness. 7. They shall run like mighty men; they shall climb the wall like men of war, and they shall march every one on his ways, and they shall not break their ranks. 8. Neither shall one thrust another; they shall walk every one in his path; and when they fall upon the sword, they shall not be wounded. 9. They shall run to and fro in the city; they shall run upon the wall; they shall climb up upon the houses; they shall enter in at the windows like a thief. 10. The earth shall quake before them; the heavens shall tremble; the sun and the moon shall be dark,, and the stars shall withdraw their shining (Joel 2:1-10).

### **The Silence of**

Then the voice was still. The earth, too was silent with the silence of. Then to my ears came another sound a sound of distant singing. It was the sweetest music I had ever heard. There was joyful shouting and sounds of happy laughter. Immediately I knew it was the rejoicing of the saints of God. I looked, and there, high in the heavens, above the smoke and poisonous gases, above the noise of the battle, I saw a huge mountain. It seemed to be of solid rock, and I knew at once that this was the Mountain of the Lord. The sounds of music and rejoicing were coming from a cleft high up in the side of the rock mountain.

### **Hidden in the Cleft**

It was the saints of God who were doing the rejoicing. It was God's own people who were singing and dancing and shouting with joy, safe from all the harm which had come upon the earth, for they were hidden away in the cleft of the rock. There in the cleft they were shut in, protected by a great, giant hand which reached out of the heavens and which was none other than the hand of God, shutting them in until the storm be over passed.

### **90 Year Old Woman in Norway – 1968**

An old woman of 90 from Valdres in Norway had a vision from God in 1968. The evangelist Emanuel Minos had meetings (services) where she lived. He had the opportunity to meet her, and she told him what she had seen. He wrote it down, but thought it to be so unintelligible that

he put it in a drawer. Now, almost 30 years later, he understands he has to share the vision with others.

The woman from Valdres was a very alert, reliable, awake and credible Christian, with a good reputation among all who knew her. This is what she saw:

"I saw the time just before the coming of Jesus and the outbreak of the Third World War. I saw the events with my natural eyes. I saw the world like a kind of a globe and saw Europe, land by land. I saw Scandinavia. I saw Norway. I saw certain things that would take place just before the return of Jesus, and just before the last calamity happens, a calamity the likes of which we have never before experienced.

She mentioned four waves:

1. "First before Jesus comes and before the Third World War breaks out there will be a 'détente' like we have never had before. There will be peace between the super powers in the east and the west, and there will be a long peace. (Remember, that this was in 1968 when the cold war was at its highest. E. Minos) In this period of peace there will be disarmament in many countries, also in Norway and we are not prepared when it (the war) comes. The Third World War will begin in a way no one would have anticipated - and from an unexpected place.

2. "A lukewarmness without parallel will take hold of the Christians, a falling away from true, living Christianity. Christians will not be open for penetrating preaching. They will not, like in earlier times, want to hear of sin and grace, law and gospel, repentance and restoration. There will come a substitute instead: prosperity (happiness) Christianity.

"The important thing will be to have success, to be something; to have material things, things that God never promised us in this way. Churches and prayer houses will be emptier and emptier. Instead of the preaching we have been used to for generations -like, to take your cross up and follow Jesus, - entertainment, art and culture will invade the churches where there should have been gatherings for repentance and revival. This will increase markedly just before the return of Jesus.

3. "There will be a moral disintegration that old Norway has never experienced the likes of. People will live together like married without being married. (I do not believe the concept 'co-habitor' existed in 1968 - E. Minos.) Much uncleanness before marriage, and much infidelity in marriage will become the natural (the common), and it will be justified from every angle. It will even enter Christian circles and we pet it - even sin against nature. Just before Jesus return there will be TV- programs like we have never experienced. (TV had just arrived in Norway in 1968. E. Minos)

"TV will be filled with such horrible violence that it teaches people to murder and destroy each other, and it will be unsafe in our streets. People will copy what they see. There will not be only one 'station' on TV, it will be filled with 'stations.' (She did not know the word 'channel' which we use today. Therefore she called them stations. E. Minos.) TV will be just like the radio where we have many 'stations,' and it will be filled with violence. People will use it for entertainment.

We will see terrible scenes of murder and destruction one of the other, and this will spread in society. Sex scenes will also be shown on the screen, the most intimate things that takes place in a marriage." (I protested and said, we have a paragraph that forbids this kind of thing. E. Minos.) There the old woman said: "It will happen, and you will see it. All we have had before will be broken down, and the most indecent things will pass before our eyes."

4. "People from poor countries will stream to Europe. (In 1968 there was no such thing as immigration. E. Minos.) They will also come to Scandinavia - and Norway. There will be so many of them that people will begin to dislike them and become hard with them. They will be treated like the Jews before the Second World War. Then the full measure of our sins will have been reached (I protested at the issue of immigration. I did not understand it at the time. E. Minos.)

The tears streamed from the old woman's eyes down her cheeks. "I will not see it, but you will. Then suddenly, Jesus will come and the Third World War breaks out. It will be a short war." (She saw it in the vision.)

"All that I have seen of war before is only child's play compared to this one, and it will be ended with a nuclear atom bomb. The air will be so polluted that one cannot draw one's breath. It will cover several continents, America, Japan, Australia and the wealthy nations. The water will be ruined (contaminated?). We can no longer till the soil. The result will be that only a remnant will remain. The remnant in the wealthy countries will try to flee to the poor countries, but they will be as hard on us as we were on them.

"I am so glad that I will not see it, but when the time draws near, you must take courage and tell this. I have received it from God, and nothing of it goes against what the Bible tells.

"The one who has his sin forgiven and has Jesus as Savior and Lord, is safe."

### **Dumitru Duduman – 1984**

Late one night, I could not sleep, The children were sleeping on the luggage. My wife and daughter were crying, I went outside and walked around. I didn't want them to see me cry. I walked around the building, crying and saying, "God! Why did you punish me? Why did you bring me into this country? I can't understand anybody. If I try to ask anybody anything, all I hear is, "I don't know."

I stopped in front of the apartment and sat on a large rock. Suddenly a bright light came toward me. I jumped to my feet because it looked as if a car was coming directly at me, attempting to run me down! I thought the Romanian Secret Police had tracked me to America, and now they were trying to kill me. But it wasn't a car at all. As the light approached, it surrounded me. From the light I heard the same voice that I had heard so many times in prison. He said "Dumitru, why are you so despaired?" I said, "Why did you punish me? Why did you bring me to this country? I have nowhere to lay my head down. I can't understand

anybody." He said, "Dumitru, didn't I tell you I am here with you, also? I brought you to this country because this country will burn." I said, 'then why did you bring me here to burn? Why didn't you let me die in my own country? You should have let me die in jail in Romania! He said, "Dumitru, have patience so I can tell you. Get on this." I got on something next to him. I don't know what it was. I also know that I was not asleep. It was not a dream. It was not a vision. I was awake just as I am now.

He showed me all of California and said, "This is Sodom and Gomorrah! All of this, in one day it will burn! It's sin has reached the Holy One." Then he took me to Las Vegas. "This is Sodom and Gomorrah. In one day it will burn." Then he showed me the state of New York. "Do you know what this is?" he asked. I said, "No." He said "This is New York. This is Sodom and Gomorrah! In one day it will burn." Then he showed me all of Florida, "This is Florida." he said. "This is Sodom and Gomorrah! In one day it will burn."

Then he took me back home to the rock where we had begun. "IN ONE DAY IT WILL BURN! All of this I have shown you" - I said, "How will it burn?" He said, "Remember what I am telling you, because you will go on television, on the radio and in churches. You must yell with a loud voice. Do not be afraid, because I will be with you." I said, "How will I be able to go? Who knows me here in America? I don't know anybody here." He said, "Don't worry yourself. I will go before you. I will do a lot of healing in the American churches and I will open the doors for you. But do not say anything else besides what I tell you. This country will burn!"

I said, "What will you do with the church?" He said, "I want to save the church, but the churches have forsaken me." I said, "How did they forsake you?" He said, "The people praise themselves. The honor that the people are supposed to give Jesus Christ, they take upon themselves. In the churches there are divorces. There is adultery in the churches. There are homosexuals in the churches. There is abortion in the churches and all other sins that are possible.

Because of all the sin, I have left some of the churches. You must yell in a loud voice that they must put an end to their sinning. They must turn toward the Lord. The Lord never gets tired of forgiving. They must draw close to the Lord, and live a clean life. If they have sinned until now, they must put an end to it, and start a new life as the Bible tells them to live."

I said, "How will America burn?" America is the most powerful country in this world. Why did you bring us here to burn? Why didn't you at least let us die where ALL the Dudumans have died?"

He said, "Remember this, Dumitru. The Russian spies have discovered where the nuclear warehouses are in America. When the Americans will think that it is peace and safety - from the middle of the country, some of the people will start fighting against the government. The government will be busy with internal problems. Then from the ocean, from Cuba, Nicaragua, Mexico,..." (He told me two other countries, but I didn't remember what they were.) "...they will bomb the nuclear warehouses. When they explode, America will burn!"

"What will you do with the Church of the Lord? How will you save the ones that will turn toward you?" I asked. He said, "Tell them this: how I saved the three young ones from the furnace of fire, and how I saved Daniel in the lions den, is the same way I will save them." The angel of the Lord also told me, "I have blessed this country because of the Jewish people who are in this country. I have seven million Jews in this country, but they do not want to recognize the Lord. They didn't want to thank God for the blessing they received in this country. Israel doesn't want to recognize Jesus Christ. They put their faith in the Jewish people in America. But, when America burns, the Lord will raise China, Japan, and other nations to go against the Russians. They will beat the Russians and push them all the way to the gates of Paris.

Over there they will make a treaty, and appoint the Russians as their leaders. They will then unite against Israel. When Israel realizes she does not have the strength of America behind her, she will be frightened. That's when she will turn to the Messiah for deliverance. That's when the Messiah will come. Then, the church will meet Jesus in the air, and he will bring them back with Him to the Mount of Olives. At that time, the battle of Armageddon will be fought." When I heard all of this I said, "if you are truly the angel of the Lord, and everything you have told me is true, then all you have said must be written in the Bible." He said, "Tell everyone to read from Jeremiah 51:8-15, Revelation chapter 18, and Zechariah chapter 14, where Christ fights against those who possess the earth. After His victory," the angel said, "there will be one flock and one Shepherd. There will be no need for light. The Lamb of God will be the Light. There will be no sickness, no tears, and no deaths. There will only be eternal joy and God will be the ruler. There will be only one language. Only one song. And no need for a translator! ... And, Dumitru," he continued, "a word of warning. If you keep anything from the American people that you are told, I will punish you severely." "How will I know that this is for real -that it will really happen?" I asked. "As a sign that I have spoken to you, tomorrow before you wake, I will send someone to bring you a bed, and at noon I will send you a car and a bucket of honey. After which I will send someone to pay your rent." The next day someone brought Dumitru a bed, and at noon a car arrived with the bucket of honey. His rent was also paid, as God had promised him.

### **David Wilkerson - 1985**

America is going to be destroyed by fire! Sudden destruction is coming and few will escape. Unexpectedly, and in one hour, a hydrogen holocaust will engulf America and this nation will be no more. It is because America has sinned against the greatest light. Other nations are just as sinful, but none are as flooded with gospel light as ours. God is going to judge America for its violence, its crimes, its backsliding, its murdering of millions of babies, its flaunting of homosexuality and sadomasochism, its corruption, its drunkenness and drug abuse, its form of godliness without power, its Luke warmness toward Christ, its rampant divorce and adultery, its lewd pornography, its child molestations, its cheating, its robbing, its dirty movies, and its occult practices.

An attack from Russia, and "The great holocaust follows an economic collapse in America.

## **Henry Gruver - 1985**

Recounts 3 visions in this 30 mins video

<https://www.youtube.com/watch?v=U5m5pCO1R9Y>

I was in Wales, on December 14, 1985. I went up on top of the Eagle tower in the Caernarvon Castle. It had eight points on it. Each of the points all it were eroded eagles. This castle was built in the 12th century.

I was overlooking the Irish Sea toward the North Sea -- Norway, Sweden, Denmark, the tip of Scotland, Greenland, Iceland in that area.

All of a sudden I was up above the Earth looking down upon the earth like a globe. As I looked down on the earth, I saw all of these massive amount of all kinds of ships and airplanes. They were coming from up above Norway, out of this inlet.

They headed down between the United States and Europe. They literally covered the whole Atlantic.

Then I wanted to see what was happening to the United States. I looked over on the globe at the United States. I saw coming out of the United States these radio communication towers. I saw the jagged lines I like they draw to show that communications are coming out. All of a sudden, as I was looking down on them they began to sparkle down on the earth like dust. I thought "Oh no! They are not getting through! They are not setting through. They don't know what is happening! They are totally oblivious! "

Then I began to see all of these submarines emerging from under the surface. I was surprised at how close they were to our boarders! They were in our territorial waters! Then I saw the missiles come out of them! They hit eastern coastal cities of the United States.

I looked over across the country where my family was over in the northwest side, and I saw the submarines. I saw the missiles coming out and hitting the western coastal cities.

I cried out and I said, Oh God! Oh God! When will this be, and what shall be the sign of its coming?"

I heard an audible voice speak to me amid say, "When Russia opens her doors and lets the masses go. The free world will occupy themselves with transporting, housing and feeding and caring for the masses, and will lets down their weapons and cry peace and safety. Then sudden destruction will come. Then is, when it will come."

That was December 14, 1984. Glastnost and Parastroika were unheard of at that time!

I THESSALONIANS 5:3 For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

EZEKIEL 38:10. Thus saith the Lord GOD, It shall also come to pass, that at the same time shall things come into the mind. and thou shalt think an evil thought 11. And thou shalt say, I will go up to the land of unwalled villages; I will go to them that are at rest. that dwell safely, all of them dwelling without walls and having neither bars nor gates . 12. To take a spoil, and to take a prey; to turn thine hand upon the desolate places that are now inhabited , and upon the people that are gathered out of the nations , which have gotten cattle and goods, that dwell in the midst of the land 13. Sheba, and Dedan. (Saudi Arabia) and the merchants of Tarshish, (Britain) with all the young lions thereof, (the nations that have come from the British Empire, Canada, et cetera) shall say unto thee, Art thou come to take a spoil? hast thou gathered thy company to lake a prey? to carry away silver and gold, to take away cattle and goods, to take a great spoil?

### **Dumitru Duduman – 1996**

I prayed and then went to bed. I was still awake, when suddenly I heard a trumpet sound. A voice cried out to me, "Stand!"

In my vision, I was in America. I walked out of home, and began to look for the one who had spoken to me. As I looked, I saw three men dressed alike. Two of the men carried weapons. One of the armed men came to me. "I woke you to show you what is to come," he said. "Come with me."

I didn't know where I was being taken, but when we reached a certain place he said, "Stop here!" A pair of binoculars was handed to me, and I was told to look through them. "Stand there, don't move, and look," he continued. "You will see what they are saying, and what they are preparing for America."

As I was looking, I saw a great light. A dark cloud appeared over it. I saw the president of Russia, a short, chubby man, who said he was the president of China, and two others. the last two also said where they were from, but I did not understand. However, I gathered they were part of Russian controlled territory. The men stepped out of the cloud.

The Russian president began to speak to the Chinese one. "I will give you the land with all the people, but you must free Taiwan of the Americans. Do not fear, we will attack them from behind."

A voice said to me, "Watch where the Russians penetrate America." Then I saw these words being written: Alaska, Minnesota, Florida.

Then the man spoke again, " When America goes to war with China, the Russians will strike without warning."

The other two presidents spoke, "We, too, will fight for you." Each had a place already planned as a point of attack. All of them shook hands and hugged. Then they all signed a contract. One of them said, "We're sure that Korea and Cuba will be on our side, too. Without a doubt, together, we can destroy America."

The president of Russia began to speak insistently, "Why let ourselves be led by the Americans? Why not rule the world ourselves? They have to be kicked out of Europe, too! Then I could do as I please with Europe!"

The man standing beside me said, "This is what you saw: they act as friends, and say they respect the treaties made together. But everything I've shown you is how it will REALLY happen. You must tell them what is being planned against America. Then, when it comes to pass, the people will remember the words the Lord has spoken."

"Who are you?" I asked.

"I am the protector of America. America's sin has reached God. He will allow this destruction, for He can no longer stand such wickedness. God, however, still has people that worship Him with a clean heart as they do His work. He has prepared a heavenly army to save these people." As I looked, a great army, well armed and dressed in white, appeared before me. "Do you see that?" the man asked. "This army will go to battle to save My chosen ones. Then, the difference between the Godly and the ungodly will be evident.

### **Frank Okune's Vision December 27, 2014**

BACKGROUND: I was interceding for the nations, particularly for Nigeria (that was before retiring for the night after 11 pm on 12/27/14) for God to intervene and stem the global threat of Islamic fundamentalism. I dozed off in the process, and during which time I had the vision I'm about to share below:

I am not certain about the exact location, but the environment appeared to be one of the university campuses in one of the cities in the United States. Then I saw when a nuclear war-head was launched against the United States. In that vision, I was told it was from North Korea. The missiles landed in four different locations, causing huge conflagrations and destruction. There was stampede where I was as people were running in confusion, never quite certain where to escape. I was among the survivors who were running for safety. We ran to some locations, but they were in flames, having had a direct hit. We ran to a different location, this time to one of the parking lots, where I parked my car. Unfortunately, my 2012 Toyota Camry had been hit and split in two halves. There was fire too in the parking lot as cars were in flames. I was desperate to retrieve some of my valuable documents from the car. Then we were directed to a place of relative safety by some security operatives amidst the confusion.

Somehow, I seemed to have anticipated this attack on the United States, but was not certain exactly when. A twinge of regret swept through my mind as I blamed myself for having not fled the country when I had the opportunity to do so. I thought of my family and lamented as to why I kept postponing the time of my departure from the States. Suddenly I woke and pondered on this vision. It was so real, but then I was relieved it was a dream. But I have no doubt that the vision is a message for the near future. A few minutes after waking up I looked at the time on my smart phone, it was 12: 24 am. Then I began to intercede for God's mercies on the nation.
